Sponsorship Opportunities

Our mission

The Guaranteed Rate Foundation was established with one simple objective: Impact the lives of employees, their families and their communities in times of need in a meaningful and positive way.

Since 2012, the GR Foundation has provided financial support for people and their families in situations arising from unforeseen hardships and/or emergency circumstances. We have funded requests for everything from food, clothing and shelter following natural disasters to assisting with housing, transportation and outstanding bills as a result of a job loss or medical emergency. To date, the GR Foundation has helped over 800 individuals and donated more than \$1,650,000 to those in need.
